

UNIVERSAL CITY WALK – Y0156

San Antonio Pathfinders

Please use either the Online Start Box (OSB) or Physical Start Box (PSB) to register and complete the event. Do NOT mix and match, for example, by registering using the OSB then completing using the PSB, nor signing the PSB log sheet. The sponsoring club receives credit for an OSB participant when an OSB registration has been completed by entering the participation date, distance and any special programs using the OSB. This walk is composed of 10K and 5K routes. The route is rated 2A. It includes Universal City's main street, residential areas and two city parks.

Walk Registration:

Please use the Online Start Box (OSB) to register and complete the event.

Walk Completion and Walk Credit:

Be sure to log back into the OSB system to finish and complete your online registration after doing the event. The OSB system does not deduct any event fee from a participant's Event Bank until they have submitted event completion information indicating the date of the event, the distance, and the selection of applicable special programs that person is participating in. (Nevertheless, a fee of \$2 for a downloaded PDF is deducted from the user's Event Bank when the PDF is downloaded. Later, any PDF fees are credited back to a user's Event Bank when he/she submits the event completion information as a paying for credit participant. Note, however, the \$2 coupon for the downloaded PDF will expire in 60 days.) Also note that an event registration expires after 30 days, but if your registrations lapses, you may re-register without cost.
