Words to the Wise (Other Info)

During cold mornings in the late fall or early spring, there may be icy patches especially where temps are still below freezing and/or where the sun hasn't shone on or melted ice on walk surfaces. The Wenatchee River bridge and the two pedestrian bridges to Blackbird Island may be very icy. In early April, there may still be snow patches on the river trail. During hot summer days, carry water and bring your own shade as some portions of the walk are unshaded.

Be sure to log back into the OSB system (my.ava.org) to finish/complete your online registration after doing the walk. The OSB system does not deduct any walking fee from a walker's Event Bank until they have submitted walk completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that walker is participating in. (Nevertheless, a fee of \$2 for a downloaded pdf is deducted from the user's Event Bank when the pdf is downloaded. Later, any pdf fees are credited back to a walker's Event Bank when he/she submits the walk completion info as a paying for credit walker.) The \$2 "coupon" for the downloaded pdf expires in 60 days.

Thanks for participating in our Leavenworth walk. There are walks nearby in Cashmere, Wenatchee and East Wenatchee. There is also the Leavenworth - Icicle Gorge forest hike on a fairly easy walking/hiking trail that is 15 1/2 miles west of Leavenworth on Icicle Creek in the Wenatchee Nat'l Forest (Nat'l Lands parking pass required). All these walks/hikes are in the On-line Start Box.
