## GENERAL WALK INFORMATION

This walk is named for Linda Nelson, former president of the East Tennessee Wanderers, who was taken from us much too soon. This Greenway Walk was her favorite.

This walk uses the Alcoa/Maryville greenway which is a combination of paved and gravel trails. Some of the walk will be on sidewalks and along city streets, but much is in wooded parkland. While we recommend that you walk during daylight hours, the entire length of the trail is lit at night. If you choose to do this walk at night, please do so *with a group, not alone*.

There will be a PortaPotty early in both walks and restrooms at two locations on the 10K route. Note that the first restroom on the 10K may be closed in the winter.
