NOTE: Please use either the Online Start Box (OSB) or Physical Start Box (PSB) to register and complete the event. Do NOT mix and match. For example, if you register using the OSB, do not complete your event by using the PSB (nor sign the PSB log sheet). The sponsoring club only receives credit for an OSB participation when an OSB registration has been completed online by entering your participation date, distances, and any special programs using the OSB.

Walk Completion and Credit: Be sure to log back into the OSB system to 'finish/complete' your online registration after doing the event. The OSB system does not deduct any event fee from a participant's Event Bank until they have submitted event completion info including the date of the event, the distance, and the selection of applicable special programs that person is participating in. (Nevertheless, a fee of \$2 for a downloaded PDF is deducted from the user's Event Bank when the PDF is downloaded. Later, any PDF fees are credited back to a user's Event Bank when he/she submits the event completion info as a paying for credit participant. Note, however, the \$2 coupon for the downloaded PDF will expire in 60 days.) Also note that an event registration expires after 30 days, but if your registrations lapses, you may re-register without cost.
