Do NOT mix and match, for example, by registering using the OSB then completing your event using the PSB nor signing the PSB log sheet. The sponsoring club only receives credit for an OSB participation when an OSB registration has been completed online by entering your participation date, distances, and any special programs using the OSB

Walk completion and credit: Be sure to log back into the OSB system (my.ava.org) to finish/complete your online registration after doing the walk. The OSB system does not deduct any walking fee from a walker's Event Bank until they have submitted walk completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that walker is participating in. Nevertheless, a fee of \$2 for downloaded PDF is deducted from the user's Event Bank when the PDF is downloaded. Later, any PDF fees are credited back to walker's Event Bank when he/she submits the walk completion info as a paying for credit walker. Note, however, the \$2 "coupon" for the downloaded PDF expires in 60 days.
