Please use either the Online Start Box (OSB) or Physical Start Box (PSB) to register and complete the event. Do NOT mix and match. For example, if you register using the OSB, do not complete your event by using the PSB (nor sign the PSB log sheet). The sponsoring club only receives credit for an OSB participation when an OSB registration has been completed online by entering your participation date, distances, and any special programs using the OSB.

The walk start is at the 2151 W Hendrickson Rd, Sequim, WA 98382 (Olympic Discovery Trail Access: Railroad Bridge Park Parking) or you can map to the Dungeness River Nature Center, 1943 W Hendrickson. If leaving the physical start box at Sequim QFC, leave QFC's parking lot: turn RIGHT and go WEST on WASHINGTON STREET. Continuing through town, turn RIGHT on PRIEST ROAD. At the TEE intersection, turn LEFT on HENDRICKSON ROAD all the way to the RAILROAD BRIDGE PARK parking lot, and turn right into the parking lot.

NOTE: There are flush toilets at Railroad Bridge Park, and clean Porta-Potties at Robin Hill Farm County Park. **Take drinking water along with you.**

1. From the parking lot, turn right and walk carefully behind the **DUNGENESS RIVER NATURE CENTER** (with many beautiful and informative displays, well worth a visit.) Follow the path to cross the Old Railroad Bridge.
2. The Bridge and wooden walkways are very slippery when wet. You are crossing the **DUNGENESS RIVER**, the lifeline of the early settlers when they engineered the irrigation system, providing the much-needed water to the arid Dungeness Prairie. Follow the Olympic Discovery Trail, here a graveled path following the old roadbed of the defunct Seattle and Northwest Railroad. The Olympic Discovery Trail follows this old railroad bed for most of your walk.
3. After about one half kilometer the trail makes a gradual turn to the **RIGHT**; continue until you cross **RUNNION** Road at the intersection of **SAWMILL** Road. The Trail follows **SAWMILL** Road to **HEATH** Road where it enters the woods. Continue on the trail to **CARLSBORG** Road. **(5km turn around here and return to the Dungeness River Nature Center).** Cross **CARLSBORG** Road carefully. The Trail continues on to **KITCHEN-DICK** Road, passing the **SEQUIM AIRPORT** on the right.
4. At Kitchen-Dick Road, carefully cross and continue on the Olympic Discovery Trail as it winds along to **Vautier** Road. Cross and turn **LEFT** on the Trail until you come to the entrance of Robin Hill Farm County Park on the corner of **Vautier** and **Pinnell** Road.

**5. AT THIS POINT, REVERSE YOUR COURSE RETURNING TO THE DUNGENESS RIVER NATURE CENTER PARKING LOT THE WAY YOU CAME, COMPLETING A 12 km WALK.** Return to your vehicle and

drive back to QFC and complete your paperwork.

Be sure to log back into the OSB system ([my.ava.org](http://my.ava.org)) to "finish/complete" your online registration after doing the walk. The OSB system does not deduct any walking fee from a walker's Event Bank until they have submitted walk completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that walker is participating in. (Nevertheless, a fee of \$2 for a downloaded pdf is deducted from the user's Event Bank when the pdf is downloaded. Later, any pdf fees are credited back to a walker's Event Bank when he/she submits the walk completion info as a paying for credit walker.) Note however that the \$2 "coupon" for the downloaded PDF expires in 60 days.
