

The Liberty Bell Wanderers
Welcomes You to the
Skippack
AVA Sanctioned Year Round Event

This AVA rated 1A 10/5km walk goes through Skippack Village, a quaint and historic shopping village. There are over 80 shops and restaurants in the village including antique shops, specialty shops, and art galleries. Most of the shops are tucked into renovated 18th and 19th century buildings, homes and barns. Historically, the village was one of Gen. George Washington's encampments during the Revolutionary War just before the Battle of Germantown and his stay at Valley Forge. It also goes along a scenic paved walking trail to a community park (10km only) and residential section. The trail is completely paved with minor inclines.

OSB or PSB Walk Registration (not both):

Please use either the Online Start Box (OSB) or Physical Start Box (PSB) to register and complete the event. Do NOT mix and match. For example, do not register using the OSB, then complete your event using the PSB (nor sign the PSB log sheet). The sponsoring club only receives credit for an OSB participation when an OSB registration has been completed online by entering your participation date, distances, and any special programs using the OSB.

OSB Walk Completion and Walk Credit:

When using OSB registration, upon physically completing the walk, please login to your Online Start Box account click on the "My Start Box" tab, then the "Finish Table" tab, then click on "Go to Finish Table" button for the event you have completed. Use the displayed entry form to submit the date and distance of your walk as well as select applicable AVA Special Programs to generate stamped "virtual" insert cards that you may choose to print out.

The Gold Star Mothers of PA Monument honors the mothers whose sons and daughters died in defense of our country. The name of the memorial refers to the Gold Star Mothers Club formed in the aftermath of World War I. A mother whose child had died in honorable military service while serving during the time of war hung a service flag in her window with a gold star emblazoned on it.
