## **COVID-19 NOTICE**

This route is subject to all restrictions and safety guidelines by government and Squaw Valley directives in effect at time of visit including but not limited to:

1. Area(s) closed or limited hours
2. Capacity limits
3. Closure of one or more sections of this route
4. Tram closure limiting trail options
5. Pedestrian direction (one way) restrictions
6. Wearing face protection
7. Enforced social distancing
8. Any other mitigation measures that would prevent you from completing this route or require you to make on the spot adjustments/changes

Refer to <https://squawalpine.com/welcome-back> for information on current restrictions or visit requirements when planning for you intended visit. Especially check **WHAT'S OPEN**.

**NOTE: IF THE TRAM IS NOT  
OPERATING YOU MUST DO  
THE 11k DISTANCE.**

**Special Programs – Walk Like An Olympian**

**Start:** Parking lot facing The Village at Squaw Valley, 1750 Village East Road, Olympic Valley, CA 96146. Refer to the Village map for restrooms, dining and shops.

**Directions:** From Tahoe City, take highway 89 North towards Truckee for about 5 miles. Turn Left onto Squaw Valley Road (between the Olympic Games signs) and continue for about 2 miles to Village East Road. Turn Left onto Village East Road and park away from the buildings in the large parking lot.

1. Facing the Village at Squaw Valley as shown on map, walk to the edge of the building. Turn Left to go around the buildings and proceed to the next street. Turn Right, crossing the bridge and continuing to the end of the block at Chaminox Place.
2. Turn Left and follow the right-hand side of Chaminox Place, passing the old fire station and several other buildings. At the end of the parking lot, look for the Shirley Canyon Trailhead sign on the trail on the Right.
3. The trail begins fairly flat but then ascends, passing two waterfalls, into several steep and rocky sections. Look for spray paint and yellow posts marking the trails.
4. After a mostly straight trail, the Shirley Canyon Trail curves to the Left and sweeps up to Shirley Lake.
5. The last part before the lake involves scrambling over rocks and hiking on a huge slanted slab. No trail—just go uphill.
6. Shortly after Shirley Lake, there is an intersection of two trails. Stay Left on the Solitude Trail until it meets the Shirley Lake Express Trail.
7. At the intersection of the Solitude and Shirley Lake Express trails, turn Left toward High Camp.
8. When you reach High Camp, take in the views. There are also eating facilities, restrooms, and the Squaw Valley Tram.

**Continue with #9 for 11K.**

**6K walkers skip to step A.**

9. **(11K Walkers)** From High Camp, retrace your steps by heading back along the Shirley Lake Express Trail.
10. At the intersection with the Solitude Trail, turn Right and follow the Solitude Trail to the Shirley Canyon Trail.
11. At the Shirley Canyon Trail, stay Right. The trail will curve Right and then straighten out as it descends to Squaw Valley Base Area.
12. Once back to the parking lot, follow Chaminox Place past the buildings. Turn Right, cross the bridge and stay on the street until you reach the shops.
13. Turn Left to go around the buildings, then Right to the front of The Village at Squaw Valley to return to your car.

**A. (6K Walkers)** Once at High Camp, take the Tram to return to the Base Area. This direction is usually free but check out the Tram schedule and whether it is still free before starting your hike.

**B.** Once in the Base Area, proceed forward through the shops and restaurants to return to the parking lot and your car.

**Event related assistance or suggestions for improvement please contact:**

**Carl Cordes (702) 540-6632 or email:**

Be sure to log back into the OSB system ([my.ava.org](http://my.ava.org)) to finish/complete your online registration after doing the walk. The OSB system does not deduct any walking fee from a walker's Event Bank until they have submitted walk completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that walker is participating in. (NOTE: The \$2 fee for event PDF Download is deducted from the user's Event Bank when the pdf is downloaded. This prepaid fee is applied against the credit fee(s) at the OSB "Finish Table" when you submit the walk completion info. However, the \$2 "coupon" for the downloaded PDF expires 60 days from download.)
