

## Lacey – Wild and Woodsy in WA – Five Friendly Parks

YRE# 2895

**Distances: 5K, 11K**

**Difficulty Rating: 1C**

This walk starts at the Friendly Grove Park, and it takes you along peaceful city streets through beautiful, park-like neighborhoods. The 11K walk goes through the abandoned Rhododendron Garden which the city of Olympia has turned into a park. After you leave the rhododendrons, you walk through Priest Point Park. This park is loaded with old-growth trees! Additionally, be sure to stop in and admire the rose garden along the way. The 10K walk then takes you down more shaded city streets to your fourth and fifth parks – Mission Creek Nature Park and Bigelow Park. The 5K walk leaves Friendly Grove Park and goes to Mission Creek Nature Park. Both of the walks are rated 1C because of grass/dirt paths and exposed tree roots.
