

Lacey – Wild and Woodsy in WA – Here a Park, There a Park

YRE# 2896

Distances: 6K, 11K

Difficulty Rating: 1A (6K), 1B (11K)

This walk starts at the lovely Rainier Vista Community Park, and it takes you along peaceful city streets through beautiful, park-like neighborhoods. The walk also goes through the Wonderwood Park which is an old-growth park that boasts many gigantic and interesting trees. As you walk through Wonderwood Park, be on the look-out for hidden treasures amongst the wooded areas. There is a large group of rock-painters (Lacey Rocks) who hide their artistic masterpieces like Easter eggs in these woods. You're apt to find one if you look! The 5K then takes you back along city streets to the start point. After leaving Wonderwood Park, the 11K takes you to the Chambers Lake Nature Area. Stroll along the bark path that was created by an Eagle Scout as it takes you around the perimeter of this gorgeous wet-land area. After going through this lovely setting, the walk continues onto the paved Chehalis Western Trail for approximately 2K and returns you back to the start point after a tour of Rainier Vista Park. Look for the breath-taking views of Mount Rainier as you re-enter the park!

Walk Registration

Register online using the AVA Online Start Box at my.ava.org. Follow the instructions provided to create a user account and sign the AVA waiver (one time). Instructions for payment are also included. Download the directions and print as needed.

Walk Completion and Walk Credit

Once you have physically completed the walk, please login to your Online Start Box account; click on the "My Start Box" tab; then the "Finish Table" tab; then click on "Go to Finish Table" button for the event you have completed. Use the displayed entry form to submit the date and distance of your walk as well as select applicable AVA Special Programs to generate a stamped "virtual" insert card that you may print.

Table of Contents:

Use the following table to guide what portion of this document you may wish to print:

| Section Contents | Pages |
|---|-------|
