POC: Allan Heritage 360.904.7236

Emergency: 911

These bike instructions and maps may only be used in conjunction with a signed American Volkssport Association athletic waiver. All other uses are prohibited.

This event is only available on the Online Start Box (OSB).

Though the Columbia Plateau Trail State Park is 130 miles in length only 23 miles at the northern end and 15 miles at the southern end near Tri-Cities are developed for public use. This sanction is for the northern 23 miles/37K beginning near Fish Lake to Martin Road Trailhead in Lincoln County.

**NOTE: a DISCOVER PASS or Day Use Fee required for this Washington State Park**

Much of the rail trail remains crushed railway ballast, but the 3.75-mile stretch from Fish Lake Regional Park to the Cheney Trailhead is smooth blacktop

Be sure to log back into the OSB system to 'finish/complete' your online registration after doing the event. The OSB system does not deduct any event fee from a participant's Event Bank until they have submitted event completion info including the date of the event, the distance, and the selection of applicable special programs that person is participating in. (Nevertheless, a fee of \$2 for a downloaded PDF is deducted from the user's Event Bank when the PDF is downloaded. Later, any PDF fees are credited back to a user's Event Bank when he/she submits the event completion info as a paying for credit participant. Note, however, the \$2 coupon for the downloaded PDF will expire in 60 days.) Also note that an event registration expires after 30 days, but if your registration lapses, you may re-register without cost.

**This event is Rails to Trail qualifier.**
