Restrooms inside Visitor Center (start/finish) 8-5pm daily

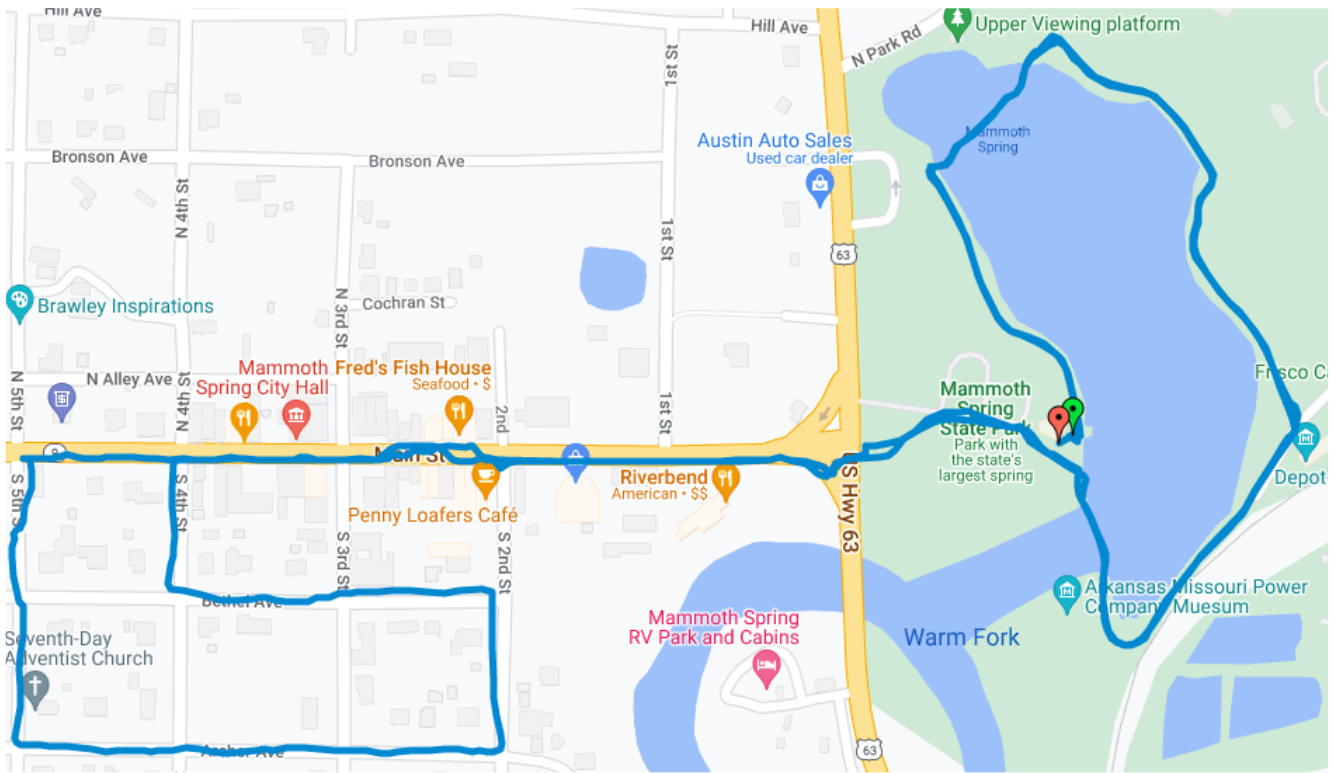

1. Please use either the Online Start Box (OSB) or Physical Start Box (PSB) to register and complete the event. Do NOT mix and match, for example, by registering using the OSB then completing your event using the PSB nor signing the PSB log sheet. The sponsoring club only receives credit for an OSB participation when an OSB registration has been completed online by entering your participation date, distances, and any special programs using the OSB.
2. WALK COMPLETION AND CREDIT: Be sure to log back into the OSB system to finish/complete your online registration after doing the event. The OSB system does not deduct any event fee from a participant's Event Bank until they have submitted event completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that person is participating in. Nevertheless, a fee of \$2 for a downloaded PDF is deducted from the Event Bank when the PDF is downloaded. Later, any PDF fees are credited back to a user's Event Bank when they submit the event completion info as a paying for credit participant.
