The "Otter Commemorative Patch" story: In highlighting this walking event that celebrates the return of the "otters" to the Rappahannock River, due to Federal, State, & local efforts, our very own local graphic artist, Lori Thayer, also a FWC member, has created and **donated** her artwork for our "Otter Commemorative Patch." Depicted on the patch are two otters Lori named "**Java & Rita,**" after two beloved Thayer family & friends' pups, sunning on the shore of the Rappahannock River that flows by our historic city. Lori has also designed & donated our unique club logo....

See youtube video for our city's historic grain elevator built in 1919 that qualifies for special program: Grain Elevators: Monarchs of the Plains."
