Elk City Museum Complex

The Elk City Museum Complex allows you to immerse yourself in Oklahoma pioneer history. The Old Town Museum includes a Victorian-era house with displays and artifacts that give a glimpse into the lives of early settlers in Western Oklahoma. The Farm and Ranch Museum celebrates Oklahoma’s agricultural heritage. While you’re at the complex, make sure to visit the Blacksmith Museum to see how blacksmiths create metal objects. The complex is also home to replicas of a schoolhouse, opera house, doctor’s office, and a chapel. Part of the complex is dedicated to the National Route 66 Museum & the National Transportation Museum. Take a journey through each of the eight states Route 66 passes through – from Illinois all the way to California. “Drive” down Route 66 in a 1955 pink Cadillac and watch a black and white movie at a mock drive-in theater while sitting in a classic Chevy Impala.

(Restrooms are located in the museum during hours. After hours there are several convenient stores along the route to the museum.)
