Walk with the World, Walk Harpers Ferry and Bolivar!

Help us preserve the historic

First Zion Baptist Church

The Volksmarch supports our mission to preserve the historic First Zion Baptist Church as a community **cultural arts center** for current and future generations who live in and visit Harpers Ferry and Bolivar.

What is a Volksmarch?

Come walk through the amazing scenery of our towns. Choose a 5K or 10K self-paced or guided walk beginning at the Barn in Harpers Ferry (behind the Light Horse Inn, 1084 Washington Street).

Volksmarching (from German "Volksmarch", people's march) is a form of non-competitive walking that developed in Europe in the mid-late 1960s.
