## St. Petersburg, FL

**The Event:** The Suncoast Sandpipers Volkssport Club is hosting a 5/10K guided walk from Campbell Park to the Grand Central, Warehouse Arts, and The Edge Districts of St. Petersburg in search of dozens of striking, sometimes thought-provoking, murals. The walk commemorates Sandpiper Paul VanValkenburg who died in 2019. Paul was a volunteer dedicated to Tampa Bay parks, cultural venues and volkssports.

**Start Location and Times:** Registration is at shelter 10 of Campbell Park starting at 8:30. Walkers can do the walk on their own from 8:30 to 9 and will be given detailed directions. For those who'd like to walk with a group, guided walks will head out at 9:15 a.m., with a leader. All walkers must be back by 12 p.m. Walk is rated 1A (easy).

**Fees:** Walk is free. There is no charge for volkssport credit. Everybody is welcome—even leashed pets!

**Refreshments:** Water and candy will be available at the start and along the way. Carrying water is recommended, as well as the use of sunscreen.
