WHAT IS A VOLKSMARCH?

A non-competitive walk event where a participant follows a marked trail at his/her own pace, stopping at points for a "control stamp", rest, and refreshments. Volksmarches are aimed at getting all people, regardless of age, out-of-doors to exercise non-competitively. Many senior citizens participate regularly. Many parents bring their children with them, carrying infants (or use strollers or wagons where the terrain allows). More information can be found at www.ava.org.

EVERYONE IS A WINNER! When awards are available, each participant who purchases a start card and pays the award fee receives an attractive commemorative award upon completion of the trail. Participants may enroll in the international (IVV) awards program by purchasing the proper record books (event, distance, or both). Completing all or part of the trail entitles the participant to a certification stamp for the record books. Upon completion of a record book, the owner receives a certificate, a hatpin, and a patch, in recognition of reaching a certain milestone.
