Volkssporting is designed to appeal to people of all ages. The walk, bike, swim or ski is non-competitive. Participants can travel at their own pace, thus making it an excellent recreational activity for the entire family. A volkssporting event is a great way to meet new friends and a fun way for individuals to exercise.

**THE GATHERING PLACE – Tulsa’s**

**Riverfront Park** opened in September of 2018. Gathering Place has been named the best new attraction in the country by USA TODAY. Our story began with the George Kaiser Family Foundation and an extraordinary dream to transform nearly 100 acres of Tulsa’s iconic waterfront along the scenic Arkansas River into a dynamic, interactive environment. Tulsans needed a welcoming, natural space where members of our diverse communities could come together to explore, learn and play. The children, families and friends of Tulsa will write the narrative from there, an ongoing adventure sure to inspire wonderful moments for generations to come. We look forward to witnessing memories made and celebrating the collective growth experienced through Gathering Place, where your adventures will only be limited by your own imagination. We are diverse, passionate and true to our beliefs. that we all become united in our love for our community.
