WHAT IS A VOLKSWALK?

A volkswalk is a leisurely walk through a scenic and/or historic area over a pre-marked route. The walk is non-competitive and the participants can travel at their own pace, thus making this an excellent recreational activity for the entire family. Anyone who completes the course is eligible to receive an award for his or her efforts. A volkswalk is a great way to meet new friends and a fun way for individuals to receive exercise who otherwise get very little.

MARCH MADNESS!

The Sod Stompers would like to invite all walkers to their "March Madness" event. Due to the IML festivities in February in San Antonio, we moved our event to March just before St. Pat's Day and the start to the college basketball championship tournament. Everyone is invited to walk with us, & enjoy some food at Johnny's Tavern.
