## TRAIL DESCRIPTIONS:

The historic "Battle Road" walk travels part of the route Paul Revere and Samuel Prescott rode to warn the Colonists that "The Regulars are coming! The Regulars are coming!" Along this same route the colonial Minute Men chased the British back to Boston. Walkers pass the site of Paul Revere's brief capture, historic homes, and Hartwell Tavern with furnishings typical of the Revolutionary era. All this is set in the beautiful fields and woods of the National Park.

An optional 3km extension exploring Fiske Hill can be walked to lengthen either route; a separate, optional 3km extension to Meriam's Corner can be added to the 10km route. Thus there are distance options of 6 or 9km as well as 10, 13, or 16km.

## RATING:

Both walk routes are on a crushed stone dust surface, and have an AVA rating of 1B, suitable for strollers **but not wheelchairs**. The optional Fiske Hill extension is rated 2B and would be difficult for strollers.
