Utah County Seat Challenge 2023-2026 Event Listings

Welcome to Utah!

The Utah County Seat Challenge is a continuation of the quest for folks to do a sanctioned volkssport event in each county in the US. The Woodland Wanderers, AVA-0915, is pleased to present Utah in all its small town glory. Utah has 29 counties. We have created a Year-Round Event in each county seat town (except St George as the Las Vegas Rollers and Strollers already have an event there).

Utah is pretty old. There was lots of conflict. Some history can be found at https://en.wikipedia.org/wiki/History_of_Utah. Utah became the 45th state in the United States of America on January 4, 1896. Salt Lake City is the capital. For a general look at Utah information, check out these websites: <https://www.visitutah.com/>, <https://www.utah.com/>.

When doing these events, you must remember that most of them are really small towns. You will need to plan for bathrooms. Some of the towns don't even have a gas station. Heck, some don't even have a town hall!! All but one of the towns are over 3,500 feet above mean sea level so altitude can become an issue. Bring your own water. Use sunscreen liberally.

And don't forget to plan your trip with enough time to visit the many national parks that are ensconced within Utah: Zion National Park; Bryce Canyon National Park; Capitol Reef National Park; Canyonlands National Park; and, of course, Arches National Park. There are also a bunch of National Monuments that are great to visit as well. To get your plans going, see the information at <https://www.nps.gov/state/ut/index.htm>.

To make the quest easier, we have created a booklet to track your completion of events. Download your copy of the Challenge Booklet at <https://woodlandwanderers.org/Utah/UtahBook.pdf>. This file prints two copies on two pages front and back. You'll have to cut them in the middle, then assemble. When your quest is complete, scan it and email it to us and we will send you the reward. Haven't got that nailed down yet, but it will probably be a beehive patch or sticker similar to the picture at the top of this page.

There is no time limit to complete the events. I will sanction them for a minimum of three years. If you have signed up for all the events, just keep walking and let me know when you are done. Speaking of registration, all 29 events are only available for online registration at the Woodland Wanderers Online Event Registration System, located at <https://AZStrollers.org/Store/>, and is online 24x7. You need a valid email address to register on the site, then log in and sign up for each event. I also have a bundle for all 28 (St George is osb), and when you register for that (discounted price!!) I will immediately send you the completion prize.

For questions or comments, please send an email to utah@woodlandwanderers.org.
