The Ozark Hill Hikers will welcome walkers at the Quality Inn in Clarksville AR for a two-walk event on Thursday and Friday, April 10-11, 2025.

Walkers can choose to do both walks in one day but we do have a variety of side trips in the area for the adventurers if you would like to spread your walks over two days!

Highlights of the area include the Ozark Bridge over the Arkansas River, Wiederkehr Winery, Post Winery, Reed Mountain Park, Mount Magazine, and Subiaco Abbey.

Clarksville and Ozark are located on I-40 only 60 miles east of Fort Smith / Van Buren and 100 miles west of Little Rock. We encourage you to walk our YREs at these locations as pre or post walks. The Fort Smith and Van Buren walks have been revised and we recommend you visit the new Marshall's Museum in Fort Smith.

Everyone is welcome to join our club members for dinner at Kasper's restaurant in Clarksville at 5:30pm on April 10.
