Be sure to log back into the OSB system (my.ava.org) to “finish/complete” your online registration after doing the walk. The OSB system does not deduct any walking fee from a walker’s Event Bank until they have submitted walk completion info including the date the event was walked, the distance walked, and the selection of applicable special programs that walker is participating in. (Nevertheless, a fee of \$2 for a downloaded pdf is deducted from the user’s Event Bank when the pdf is downloaded. Later, any pdf fees are credited back to a walker’s Event Bank when he/she submits the walk completion info as a paying for credit walker.) Note however that the \$2 “coupon” for the downloaded PDF expires in 60 days.

We hope you have enjoyed the natural beauty of our area, as well as the several working farms and dairies.
