The OSB system does not deduct any biking fee from a biker’s Event Bank until they have submitted bike completion info including the date the event was biked, the distance biked, and the selection of applicable special programs that biker is participating in. (Nevertheless, a fee of \$2 for a downloaded pdf is deducted from the user’s Event Bank when the pdf is downloaded. Later, any pdf fees are credited back to a biker’s Event Bank when he/she submits the bike completion info as a paying for credit biker.) Note however that the \$2 “coupon” for the downloaded PDF expires in 60 days.

We hope that you enjoyed the Chief Chetzemoka Interpretive Bike!
